TOTAL QUARTERLY HOURS LOGGED _____ Employee Signature (required)* _____ Date _____

Supervisor/Designee Signature (required)* _____ Date _____

Pay Rate \$ _____ /hour/day/month (circle one) * I certify that documented time is from Allowable Activities listed on page 2 of this form.

INSTRUCTIONS:

- 1 Mark either the "State Share" or "Federal Share" box at the top of the form. (Note: LIAs must use a separate form for documenting State Share vs. Federal Share activities. Regional Networks, faith-based, and other special projects should only check "Federal Share").
- 2 Write the number of hours worked above the appropriate week number (e.g., wk1), corresponding with the appropriate Allowable Category. (Note: Documented time must be from Allowable Activities listed on page 2 of this form, and hours must be entered on a weekly basis.)
- 3 Paid time off (e.g., vacation, sick leave, holiday time, etc.) should be recorded as the actual paid vacation, paid sick time or paid holiday time earned per the organization's policies. These types of earnings must be prorated by the FTE budgeted in the contract –e.g., if a .50 FTE employee takes a vacation day, that employee would record 4 hours of vacation time for that day.
- 4 Record time in 15 minute increments, using decimals to record partial-hour increments (i.e., .25, .50, and .75.) (Note: Time must be recorded on a weekly basis for all months in the quarter.) At the end of each month, total each column in the "TOTAL MONTHLY HOURS" boxes at the bottom. Add up the "TOTAL MONTHLY HOURS" and enter this amount into the space marked "TOTAL QUARTERLY HOURS LOGGED".
- 5 Enter your hourly, daily, or monthly rate of pay, as applicable. Sign and date the log, and give it to your supervisor for signature.

Examples of Allowable Activities

(All activities must be directed toward food stamp eligible households in the community.)

Child/Student Nutrition Education in a Classroom Setting:

- Nutrition education classes using approved resources (e.g., Dairy Council, Team Nutrition, Dietary Guidelines for Americans, Harvest of the Month).
- Read books on nutrition or encourage creation of artwork or essays on topics of nutrition such as the importance of eating fruits and vegetables as part of a healthy diet.
- Conduct cooking classes and/or taste tests with healthy foods as part of a nutrition education lesson/activity
- Teach nutrition via CD ROM/ Internet/computer programs.
- Teaching nutrition education as a stand alone subject area or integrated with math, language art, science, social studies, or other subject areas.

Child/Student Nutrition Education outside a Classroom Setting (as a component of a structured program):

- Participate in nutrition education field trips (do not include transportation time or costs) such as tours of farmer's markets linking nutrition education on fruits and vegetables in classroom with field trip visit.
- Garden based nutrition education
- In a food stamp or health office setting, promote healthy eating habits and the role that physical activity plays in good nutrition (can include a brief Food Stamp Program promotion message).
